

PLEASE READ ALL PRECAUTIONS BEFORE USE.

MAPP 17145

Contains 22.9% w/w Citronella Oil
European Patent No: 1069828

**A NATURAL HERBICIDE
for the control of COMMON RAGWORT†**

For use as an AGRICULTURAL HERBICIDE on grassland, green cover on land temporarily removed from production and amenity grassland*.

READY TO USE

- Directions for use:** Shake Well. Attach spot spray assembly to can.
Spot spray directly on to weeds, ideally during dry still conditions.
- Dosage:** Spray up to 5 squirts per plant, ideally at rosette stage.
- Covering:** Apply the product until the weed is well covered, but not to the point of run-off. Avoid contact with grasses where possible, e.g. by spraying in still conditions. Such contact will result in transient scorch, which would be replaced by fresh growth in good growing conditions.

† This product will provide rapid destruction of aerial growth. Longer term control of ragwort will depend on the overall management strategy. Check for re-growth after 28 days and re-apply as necessary. Protect from frost.

STATUTORY CONDITIONS RELATING TO USE
FOR USE AS AN AGRICULTURAL/HORTICULTURAL HERBICIDE

For use on permanent grassland, rotational grass, green cover removed from production and amenity grassland.
Engineering control of operator exposure must be used where reasonably practicable in addition to the following personal protective equipment: See PRECAUTIONS marked #:

However, engineering controls may replace personal protective equipment if a COSHH assessment shows that they provide an equal or higher standard of protection.

Environmental Protection: See PRECAUTIONS marked *

Other specific restrictions: See PRECAUTIONS marked †

READ ALL PRECAUTIONS BEFORE USE (MAPP 17145)

PRECAUTIONS:

* HARMFUL TO FISH OR OTHER AQUATIC LIFE. Do not contaminate surface waters or ditches with chemical or used container.

† KEEP LIVESTOCK OUT OF TREATED AREAS for at least 2 weeks and until foliage of any poisonous weeds such as ragwort have died and become unpalatable.

WEAR SUITABLE PROTECTIVE GLOVES when handling and applying the product.

WHEN USING DO NOT EAT, DRINK OR SMOKE.

KEEP AWAY FROM FOOD, DRINK AND ANIMAL FEEDING STUFFS

KEEP OUT OF REACH OF CHILDREN.

WASH HANDS before meals and after work.

KEEP IN ORIGINAL CONTAINER, tightly closed in a safe place.

EMPTY CONTAINER THOROUGHLY and dispose of safely.
